

Music Therapy St. Pete

This Music Therapy Internship in the **Private Practice** setting will serve a **variety of clinical populations** in **St. Petersburg, FL** on the gulf side of the Tampa Bay area. You will be expected to develop your professionalism, compassion, enthusiasm, business acumen, self-motivation, creativity, and overall music therapy knowledge, efficacy, and advocacy.

The program will be led by **Internship Director James Riley, MM, MT-BC**.
For more information e-mail james@mtsp.com or call (727) 350-7897.

Please submit the following application requirements:

Basic Information

- Your full name, and nickname if you prefer
- Ideal internship start date, plus earliest and latest possible start dates
- Phone number
- Best e-mail address
- Permanent mailing address

Written Responses (each approximately 150-250 words)

- What are your musical strengths? Areas for improvement?
- What are your professional and therapeutic strengths? Areas for improvement?
- Why are you applying for this internship? Why might you be a good fit?

Additional Documents

- Current repertoire listed by genre
 - Current résumé
 - Academic transcripts (PDF of your unofficial transcripts is accepted)
 - Three letters of recommendation (submitted by professor, supervisor, etc.)
-

*After e-mailing your completed application, we will schedule an **interview** that will include demonstration of musical competency. Throughout internship you will be responsible for your own **health insurance, liability insurance** (AMTA recommends HPSO), **and a reliable car**. This internship cannot provide housing nor guarantee a stipend. For more information, contact James Riley.*

Thank you! Talk to you soon!
