

# Music Therapy St. Pete

This music therapy internship in the private practice setting will serve children with special needs, older adult groups in memory care settings, and additional clinical populations across beautiful St. Petersburg, FL and the greater Tampa Bay area. Apply now to join our team!

Apply yourself to develop musicianship, compassion, professionalism, creativity, personal initiative, and overall joy in music therapy knowledge, efficacy, and advocacy.

For more information visit [mtsp.com/internship](http://mtsp.com/internship) or contact Internship Director James Riley, MM, MT-BC, at [james@mtsp.com](mailto:james@mtsp.com) or (727) 350-7897.

---

*Please e-mail the following application requirements to [james@mtsp.com](mailto:james@mtsp.com):*

## ***Basic Information***

- Your full name, and your nickname if preferred
- Best e-mail address and phone number
- Ideal internship start date, plus earliest and latest possible start dates
- Primary instrument(s)

## ***Written Responses***

- What are your therapeutic and professional strengths? Areas for improvement?
- Why are you applying for this internship? Why might you be a good fit?
- Tell us more about yourself, what you're interested in, what motivates you, etc.

## ***Additional Documents***

- Current repertoire you can truly perform, listed by genre
  - Current résumé, including information on all clinical experience
  - Academic transcripts (PDF of your unofficial transcripts is accepted)
  - Three letters of recommendation (submitted by a professor, supervisor, etc.)
- 

*After e-mailing your completed application, we will schedule an **interview** that will include demonstration of musical competency. Throughout internship you will be responsible for your own **health insurance, liability insurance** (AMTA recommends HPSO), **and a reliable car**. This internship cannot provide housing nor guarantee a stipend. For more information, contact James Riley.*

*Thank you! Talk to you soon!*
